Natural View Screen Protector

*Sleek, thin and
crystal clear to match
your mobile device style*

What users are saying about 3M™ Screen Protectors:

“I couldn’t tell it was there.”

“I liked the clarity and clearness.”

“The screen was so crystal clear that it seemed
like there was not a phone cover on.”

Simple and easy to use:

“I didn’t realize just HOW easy the films were to apply.”

“Smoothed out easily with the applicator that
was provided.”

Durable protection to keep your display looking new longer:

“It’s rugged and guaranteed to protect the screen.”

“The screen seemed to be nearly scratch proof with
the protector.”

*The lifetime warranty applies if the Natural View Screen Protector becomes scratched while protecting your device. 3M offers a replacement Natural View Screen Protector for as long as you own your device. 3M warrants that the Product shall conform to 3M’s published specifications for scratch resistance for the term of the original purchaser’s original device service plan or warranty agreement, not to exceed two years from the date of purchase of the device under any circumstance. If the required online form is not completed in full, the warranty is void. Returning the original Natural View Screen Protector is required.
